Rocco Paternoster Association of California State Supervisors 1108 O Street, Suite 400 Sacramento, CA 95814

Re: Classification Abolishment Project

Dear Mr. Paternoster:

Fundamental reform to our Civil Service System is long overdue. Over the years, commissions and state boards have pointed out its flaws and called on state leaders to modernize and simplify civil service. A modern Civil Service System will make the state more efficient and more nimble, and is the foundation to make the State of California an employer of choice.

To that end, CalHR is committed to abolish unused classifications that have been vacant for 24 months or more. This effort is consistent with the 2015-16 Governor's Budget Summary which declares that "administrative efforts will be focused on updating and streamlining the state's job classifications." This proposal is also aligned with CalHR's strategic plan and the Classification Consolidation Project recommendations submitted to the State Personnel Board on January 8, 2015.

CalHR understands the concerns departments and union organizations have voiced in the past, and has worked hard to address these concerns prior to the classifications being proposed for abolishment. Each classification will be reviewed to ensure we do not take away opportunities for upward mobility, restrict entry into state service, eliminate necessary bridging classifications, or negatively impact current or future state employees/members.

Your continued partnership and input is critical to transforming the state's overall classification structure and ensuring we build a system that meets the needs of departments, unions, and current and future state employees. In the past, CalHR has sent notifications to impacted departments and union organizations on an incremental basis. In an effort to streamline the Classification Abolishment Project, a comprehensive list of classifications that have been identified as being vacant for 24 months or more is attached for your review. The attached list will be the first phase in improving the Civil Service System through the abolishment of unused classifications. CalHR's Personnel Management Division will send notifications on a continual basis as additional classifications are identified for abolishment and/or consolidation.

Please review the attached list of classifications and notify me of any concerns you have with the abolishment of the classification(s) no later than May 1, 2015. If you do not indicate any

Rocco Paternoster April 2, 2015 Page 2

concerns regarding this proposal, it will be placed of the State Personnel's Board Meeting Agenda for adoption.

Please address any questions or communications on this proposal to me at (916) 323-7995 or Krista Whisler, Personnel Management Division, at (916) 322-0436, 1515 S Street, North Building, Suite 500, Sacramento, CA 95811.

Sincerely,

Pam Manwiller, Chief Labor Relations Division
