Subject: CalPERS Reelection Endorsement Request

Dear President D'Braunstein:

Today, I write to let you know that I will be running for reelection to the CalPERS Board of Administration (At Large Seat A) later this year and would very much welcome ACSS's endorsement again. With your support in 2017, we won this seat with over 64% of the vote.

While much has been accomplished in recent years, I am running to continue to the work that is so vitally important to CalPERS members:

- Protect our pensions from attacks
- Maximize our investment returns
- Maintain and improve our health care benefits
- Make prescriptions drugs and long term care more affordable
- Restore integrity, transparency, and the voice of members at CalPERS

As a union member and leader in the California Association of Professional Scientists (CAPS – State Bargaining Unit 10), I would certainly be honored to yet again earn the support of your union.

Again, I would like to respectfully request your endorsement for my reelection campaign. If I can answer any questions, or if you would like me to meet with representatives from your organization, I am happy to do so.

Sincerely,

A handwritten signature in black ink, appearing to read "David Miller", with a stylized flourish at the end.

David Miller
CalPERS All Member Representative
